

Foster Care Resources And Ways To Get involved:

Getting Started: *(please note this is for Washington state and requirements may vary slightly from state to state)*

Step 1: Choose agency or state to get your license through (I encourage an agency for the additional support they will provide)

Step 2: In person or online orientation training

Step 3: 24 hours (4 separate 6 hour courses) of care training courses.

Step 4: Home study

Step 5: Become licensed and gear up for some phone calls
